STATE APPROVES VOCATIONAL
AGRICULTURE FOR LINCOLN-WAYTo Consolidate
Two Schools
At Frankfort

Consolidation of the Frankfort school district 157 and Rahm school district 155 on Sauk trail was passed Saturday in elections held among voters of both districts.

In Frankfort, 80 voted in favor and four against, and the 32 votes cast at Rahm school were unanimously in favor of merging the schools.

The Rahm school, which has not operated for two years, and which by law would automatically be dissolved July 1, petitioned through its board of directors for the consolidation.

The number of pupils at the Rahm school had declined to the point where it no longer pays to keep the school open, and students in the district had been attending the Frankfort school with tuition paid by their own board.

Verne E. Cracker, County superintendent of schools, made a canvass of the votes and set May 15 as election date for a new seven-member board of education, with voting to take place in same precincts.

Any person wishing to file for a membership on the board must circulate petitions and have them filed on or before 5 p. m. Friday, April 23 in the superintendent's office. Names on the ballot will appear in the order in which they are filed.

The two districts in question each had a three member board of directors but no board of education.

Kelley's Mark 50
Years of Marriage

In honor of the 50th wedding anniversary of Mr. and Mrs. Charles Kelley, 151st street, Homer township, members of their family, Mr. and Mrs. Henry Kelley, and Mr. and Mrs. Edward Kelley and Patrick, of Peatonica, arranged a reception in the Henry Kelley home April 10 attended by 65 relatives and friends from Chicago and suburbs, and from Peatonica and Homer.

Games and square dancing were enjoyed until a late hour after which a buffet supper was served from a tastefully decorated table. The bride of fifty years ago was presented with a corsage of yellow roses and gold bells. The couple also received money and other gifts.

The exact date of the anniversary was April 12. Their neighbors and friends wished them many more happy years of life together.

Mokena Lions to
Elect Officers

Reports of the nominating committee will be given at the April 22 meeting of the Mokena Lions club. It was postponed from the regular meeting date, April 15.

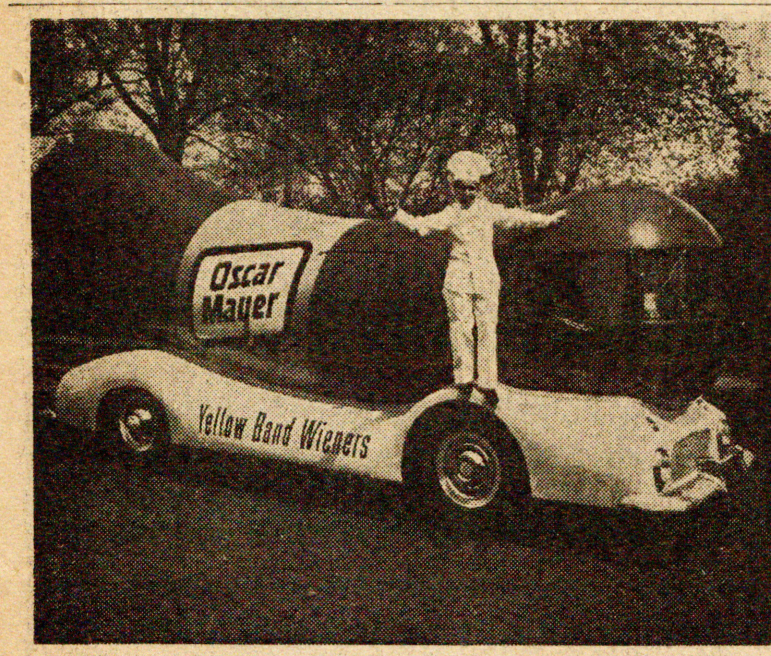

Members of the committee, appointed by Ray Hoehle, are Bob Olson, Milt Gaudin, Fred Cappel, Harold Clarke and Everett Cooper.

Each member is asked to bring one dozen hardboiled eggs for the annual Easter egg hunt. They may be taken to Roy Richardson or to Bob Olson in Sunny Acres, before April 17. The hunt will be limited to children up to sixth grade.

The Lions club has ordered raincoats for the patrol boys of St. Mary's school.

ST. MARY'S BAKE SALE

The ladies of St. Mary's parish will conduct a bake sale in Dunham Hardware store in Mokena Saturday, April 17 from 12 noon to 4 p. m.

LITTLE OSCAR MOBILE
Little Oscar and his Weiner mobile will be at Ray's Midwest

Application for a vocational agriculture department in the new Lincoln-Way High school has been approved by the State Department of Vocational Agriculture.

A recent letter from J. E. Hill, director of the department, stated that a supervisor had visited the school and recommended approval, which becomes effective July 1.

Approval of the department is necessary in order to receive Federal and state appropriations. This reimbursement is based on 50% of the salary and travel of the teacher for his high school classes in vocational agriculture.

The primary purpose of such a department in a public high school is to offer organized instruction in agriculture for those who plan to enter the vocation of farming, either high school students or out of school youth, and to provide for the needs of those who have entered the vocation of farming.

Each student enrolled in a vocational agriculture class will be required to conduct a supervised farming program under the supervision of the instructor. He can either conduct an individual farm project or a number of farm practices. It is expected that the student will supplement a part of his farming program as he advances in his school work.

The State Vocational Education office requires a modern farm shop, and shop instruction to supplement the regular classroom instruction. Lincoln-Way's shop and agriculture department is located on the south side of the shop wing, in the east part of the building. It is of ample size to provide for the needs of students, for many years. The working area is 40x72 feet while the classroom is 24x32 feet. The two areas are separated by a glass partition. In the front part of the classroom a small laboratory has been installed for soil and milk testing.

Mr. Frye, the new vocational agriculture instructor will begin his duties on July 1. He will visit all students in the area who have registered for the course. In case there is sufficient interest in a non-vocational course, it will also be offered. Such a course would provide for the needs of those students interested in agriculture but having no opportunity for a suitable farming program.

Lincoln-Way Board
Members Reelected

Reelection of all directors of the Lincoln-Way High school board of education, district 210, has been announced by Supt. A. Hunter Chapman.

Totals of the four villages within the district were 384 for Albert H. Krusemark Jr., 378 for Lawrence Kohl, and 401 for George Bovee.

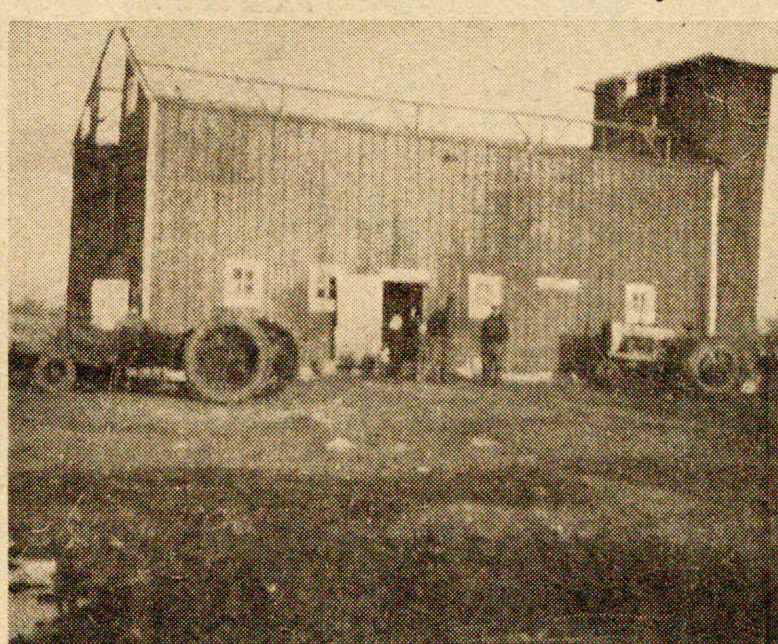

In Frankfort, 92 votes went to Mr. Krusemark, 90 to Mr. Kohl and 88 to Mr. Bovee, and in Mokena 69 to Krusemark, 72 to Kohl and 70 to Bovee.

New Lenox gave 80 votes to Krusemark, 81 to Kohl, and 80 to Bovee, while in Manhattan, 143 went to Krusemark, 135 to Kohl and 163 to Bovee.

Named in Will

Mrs. Dorothy Jean Bogdan, New Lenox, is the sole heir to a \$29,000 estate left by her parents, Mr. and Mrs. Charles M. Howell, Joliet, who were killed March 19 in an auto crash near Higginsville, Mo. They were returning from a month's stay in California.

The will, filed last week with Probate Clerk E. B. Workman, lists \$23,000 in personal property and real estate valued at \$6,000.

Farm Of Former Mokena Resident Hit by
Tornado at Manteno Last Wednesday90 YEAR OLD
RESIDENT OF
FRANKF'RT DIES

Funeral services for John Buck, 90, Frankfort, were held Monday in the home of his daughter, Mrs. Wallace Weichbrodt, to St. John's Evangelical and Reformed church, Peotone. The Rev. Ernest Gander officiated, and burial was in North Peotone cemetery.

Mr. Buck died Friday in his home after a short illness. He was born in 1863 on "George, Hasenjaeger's hill" in Green Garden township and until 1923 operated a farm 9 miles south of Frankfort. After retirement he lived in the village.

He leaves his wife, Julia, two sons, George and John of Peotone, Mrs. Weichbrodt, eight grandchildren and seven great grandchildren.

10 Year Old Hit
By Automobile

Darrall Simmons, 10, of 82nd ave., Lincoln Estates, returned Monday from St. James hospital, Joliet, where he has been under observation after an accident Saturday on route 30 near his home.

He suffered a fractured right ankle when hit by the automobile of Lois Tyler, 26, also of Lincoln Estates. The boy was riding his bicycle west on the north road shoulder, when a semi-trailer passed him and showered the area and Mrs. Tyler's car with water from a puddle. The boy drove onto the highway and was struck by the westbound car.

Young Simmons was taken to the hospital by Dr. M. J. Buckley, Frankfort, who was passing by. State officers Herman Deeko and Andy Muzzarelli investigated the accident. The boy's parents are Mr. and Mrs. Leonard A. Voytina.

Virginia Buck is
New 4H President

Homer's Little Women 4H club had its first meeting of the year April 9 in the home of leader Mrs. M. E. Cagwin. There were ten girls present.

The main business was election of officers, Virginia Buck was elected president, Joy Ann Purdy, vice president, Mary Buck, secretary; Bonnie Cagwin, reporter, Diana Buck, program chairman, and Kathy Bier, recreation chairman.

The group decided to take "You Learn to Bake" as their project for the year. After a round table discussion, refreshments were served by the hostess. The next meeting will be held April 23 in the home of Joy Ann Purdy.

—Bonnie Cagwin, reporter.

Easter Egg Hunt
Set for 1 P. M.
Sunday in Park

Mokena children will turn out in the village park at 1 p. m. Sunday for one of the three or four biggest events of the year, the annual Easter egg hunt sponsored by the Lions club.

The children will be divided into age groups, with the older ones to participate in an egg decorating contest.

A lucky egg will be hidden and when found will entitle the holder to a parakeet and cage. Prizes will also be given to the boy or girl finding the most eggs, with no pooling permitted.

METHODIST BAKE SALE
The Women's Society for Christian Service of the Mokena Methodist church will conduct their annual Easter bake and fancy work sale in Cooper and Hostert's garage Saturday, April 17 starting at 2 p. m. This is under of Group two.

School Elections

Two new members were added to the board of education of the Mokena public school, district 159 at Saturday's election, Lawrence Kohl who has served in that capacity for the past 20 years, and Clyde Yunker who served one term were not candidates for re-election. Elected were Robert Geuther, who received 69 votes and Lyman Teague 70 votes. The board met Tuesday night in the school and reorganized. Thomas Powers was elected president of the board and Lyman Teague, secretary.

A new member was also added to the Frankfort public school, district 157. Albert Krusemark was not a candidate for re-election and George Tate was elected receiving 66 votes. There were 16 spoiled ballots.

In the Gatter public school, district 156A, near Lincoln Estates Edward Ruder received 25 votes and Mrs. Geraldine Coleman, re-elected 33 votes.

'EMPTY TOMB'
TO BE GIVEN
IN ST. JOHN'S

"The Empty Tomb," a pageant will be presented at the 6:30 sunrise service of the St. John's Evangelical church, Mokena.

The cast consists of the senior and junior high Sunday school classes with Mrs. Al Kallmer and Mrs. Herman Lorenz co-directing. Richard Gillette will sing "The Holy City" by Adams.

The 7 o'clock Easter breakfast will be served by the Youth Fellowship, an event which has become traditional in Mokena and attracts Christia folks of all ages.

The Sunday school service at 9:30 a. m. will feature the "Living Cross" decorated with flowers and the pageant will be repeated.

High service of the day will be the Easter praise service with music, singing, and sermon Mrs. Mildred Maus will play, "Easter Chimes" by Demarest and the choir, directed by Oliver Kessler, will sing "Hallelujah to the King" and "Now is Christ Risen." The junior choir will sing "Before the Dawn" by Siibelius.

Local Hardware
Store
Hardware Week

Tinley Park Hardware and Frankfort Hardware, members of the National Retail Hardware association will observe Irha Hardware Week, starting April 16 through the 24th. Members of this association state this event will involve the biggest advertising and merchandising campaign ever conceived.

There are 586 wholesalers, 100 manufacturers and 23,000 independent hardware stores in this association. They have stocked up on the latest power tools new precision-built home work shop gear, Do-It-Yourself gadgets, sports equipment, etc. Many items are marked down in price.

This special week means "open house" and all folks are invited "to come in and browse around even though you don't need anything in the hardware line at this time." Patrons will be given free informative booklets on "Bright Ideas for the Home."

Easter Egg Hunt at
Valley View Farm
Restaurant Sunday

The Valley View restaurant on route 30 will have an Easter egg hunt at their place of business Sunday. Eggs will be hidden around the restaurant with in 300 feet and not in any building. Both children and adults are welcome to hunt for eggs. There will be no charge for the hunt.

There will be two prize eggs. The Golden Goose egg will give \$25 to the finder and the children finding the silver eggs will receive baby rabbits. There will also be other prizes.

This pleasant event on Easter is being given by the proprietors, Mr. and Mrs. Frank C. Jurek, as a little gesture of appreciation to the local people for their cooperation and response to their business since opening a year ago.

BARBARA MARTIE ON
ROLL OF NATIONAL
HONOR SOCIETY

Miss Barbara Martie, daughter of Mr. and Mrs. Willard Martie of Mokena was elected last week to the National Honor society at the Joliet Township High school. To receive this honor a student must be in the upper 5% of the class and fulfill all requirements. Barbara is a member of the junior class.

Only God Can
Make a Tree

Last Friday night a group of people came in and fished in the creek on the property of Leo Marcoux, who has a lovely home at 203d and Wolf road, Mokena.

They scattered beer bottles and cans and built a fire right up against a beautiful old elm tree, long loved and cherished by the Marcoux's and their friends. It leaned over the creek in a way that would satisfy even the most artistic, and its comfortable crotch was wonderful for summer relaxing.

The fire wasn't discovered until the next day. Mr. and Mrs. Marcoux worked two days with a group of men to put it out and were sure that they had. It had burned inside the tree.

Buckets of water were brought again the next day when it broke out again. After a while the tree burned apart and fell into the creek.

A few hours of pleasure have undone Nature's work of many, many years. From the beer bottles lying around it was surmised that the vandals were not children, but thoughtless adults. They and others who have trespassed have cut fences and did other irreparable damage. Mr. and Mrs. Marcoux love to entertain their friends, and have given much pleasure to young and old alike, but these strangers took advantage of the inviting grounds and through their irresponsibility a beloved elm tree has been lost forever.

What could have been worse, if the fire had not been discovered it might have spread to the Van Horn woods forest preserve nearby and caused untold damage.

Mr. and Mrs. Marcoux have always had their property posted and must continue to keep it that way.

It's a good enough reason for "No Trespassing" signs being erected, when careless individuals perform such heedless acts of destruction.

Chapel Services
Popular With
Mokena Children

The Mokena youth chapel services being held this year in the Methodist church, are proving to be most successful. They opened on Monday and Tuesday the attendance was up to 100.

In charge of devotions are Mrs. Hugo Niethammer Monday, Mrs. Rudolph Engelhart, Tuesday, Mrs. W. H. Pitman, Wednesday, Mrs. Herman Lorenz on Thursday, and Mrs. Arthur Shoop, Friday.

Aiding with registration were Mrs. Hugo Niethammer, Mrs. Edith Crater, Mrs. Ramon Westlund, Mrs. Clarence Lauffer, Mrs. W. A. Muehler, Mrs. Gordon Bruce, Mrs. A. Omland, and Mrs. A. Kalmer and Miss Adeline Semmler.

The services are held from 8:15 to 8:45 every morning and start at 9:00 A. M. Thursday and Friday. Refreshments will be served on Friday. Rev. W. A. Riemann has shown colored slides emphasizing the story of Holy Week.

Hold Rites For
William Hecht

Funeral services for William Hecht, 76, a former resident of Mokena, will be held at 2 p. m. Saturday from the Krueger chapel, Blue Island, burial will be in St. Mary's cemetery, Evergreen Park.

Mr. Hecht, who lived in Blue Island, died Wednesday after a sudden illness.

He operated a farm near Mokena for 25 years and moved to Blue Island 12 years ago. Surviving are a son William, Mokena, one daughter, Louise of Chicago, five grandchildren and several stepchildren.

PFEIFER OPENS
NEW LENOX
SUBDIVISION

Roy Pfeifer, 152 Oakview New Lenox, is the developer of a new subdivision on Cedar road and Joliet highway, New Lenox.

The 15 lots vary in size, he said. Some are 100 by 115, 64 by 200, 50 by 135, 50 by 182 and several other dimensions.

Roy street, half circle road, not yet gravelled, has been cut through the property, which Pfeifer bought a year ago from C. L. Clasing. It was formerly a baseball diamond. A model home in the \$8,500 price range has been erected. It has four rooms, bathroom utility room, hot water, and gas, heat and city water.

Mr. Pfeifer, in response to many inquiries, stated that he will build to suit, or the buyer of a lot may build his own.

Frankfort Legion
To Hold Easter
Egg Hunt

An Easter egg hunt will be sponsored Saturday by the American Legion auxiliary in Frankfort for the children. At 10:30 a. m. the pre-school children and up to and including the first grade will gather at the Methodist church.

Mrs. Lloyd Luhring and Mrs. Harry Miller will be in charge. Children in the second grade and up to and including fifth will meet at 1:30 p. m., at the church, with Mrs. Herbert Bixler and Mrs. Delbert Seemann in charge.

A golden egg will be hidden for each hunt, and a prize awarded the finder.

St. Mary's Parish
Plans May 2 Dinner

Final plans are in full swing for the family style roast beef dinner to be held Sunday, May 2 in St. Mary's Hall, 195th and Wolf road, Mokena. Serving begins at 12 o'clock noon, and will continue until 8:00 p. m. The menu will feature homemade cakes and pies. Games and prizes will be an added attraction.

Mrs. Frank Gottlieb, chairman of the spring festival dinner, reports that, with the assistance of her enthusiastic helpers, all who attend this function will enjoy a hearty dinner and a good time. Proceeds of the affair will help to swell St. Mary's school building fund.

Father Cecil Koop, St. Mary's new pastor, welcomes both new and old friends of the parish to this annual dinner. The public is invited to attend.

Finish Remodeling
6 & 7 Restaurant

The Six and Seven restaurant corner routes 6 and 7 at Orland Park have just completed remodeling and redecoration of their dining room and cocktail lounge. They have needed more space in the dining room for some time and the eliminating of a partition has given this space.

A large picture window, colored photo mirror with a planting box with an acoustic ceiling makes a pleasant place to eat. An orchestra will add to the enjoyment of the guests this Saturday night.

The proprietors, Mr. and Mrs. Robert Uthe opened this restaurant six years ago and their business has grown to such an extent, requiring the remodeling.

Paper Drive Sat.,
By Explorer Scouts

The Mokena Explorer Scouts will conduct a special paper drive Saturday, April 17. It will be a continuation of the drive held April 3.

The Explorer Scouts would like to thank everyone who cooperated with them in the drive April 3. They would also appreciate greatly if those whose papers they were unable to pick up in their last drive would call them at Mokena 2681 not later than noon Saturday, so they will be able to get the paper this time.

HONOR STUDENT

Doris Schuldt, Mokena, is a high honor student for the third quarter at Orland-Palos High school. To receive this honor, a student must have a grade average of 4-50 to 5.00, which indicate an A minus to A average.

Both Republican and Democratic voters turned out in good numbers Tuesday in precinct two at Mokena. For precinct committeeman, Elmer Cooper received 266 Republican votes, and Robert Maue and Art Hurley 24 and 6, respectively, of the Democratic.

In the precinct, 77 votes went to Austin Wyman, Republican, and 51 to Paul Douglas, Democrat, in nominations for U. S. senator. Warren E. Wright had 131 Republican and David Mallett 33 Democratic votes for state treasurer nominations.

Mokena totals were 253 for Republican Vernon Nickell and 34 for Democratic Mark Pettermann for Superintendent of Public Instruction.

Noah Mason, Republican, received 252 for representative in Congress (15th), and the Democratic choice Richard Mohan 26.

For state central committeeman, M. H. Hollingsworth received 247 Republican votes and Anton Grohman 14 on the Democratic ticket.

Lotie Holman O'Neill with 257 votes and Steven Zivaly with 31 placed highest for state senator, and Warren L. Wood 522 and John M. King, 229, for state representative on the Republican ticket, and Harold Downey 51 and Francis Loughran 39 on the Democratic.

Mokena voters favored Clarence Peterson with 237 votes on the Republican, and Francis Riley, 18, Democratic, for senatorial committeeman.

Choices in Mokena precinct two for County offices are: (Republicans listed first):

County judge, John C. Cowling, 253, Thomas Gorey, 21; County clerk, Joseph H. Hartley 258; Probate judge, J. Hinton Massey, 132; Raymond Harvey, 19; Clerk of Probate Court, Ellis worth B. Workman, 235; Ralph Papeish, 17; County treasurer, Floyd H. Krapf, 151; Albert Salzman, 21; Sheriff, Roy C. Doerfler, 261; Leo Kelly, 23; Superintendent of Schools, Verne E. Cracker, 249.

Jolly Troopers 4H
Has Record Turnout

Members of the Mokena Jolly Troopers 4H club really felt jolly about the splendid showing of interest when 45 mothers and members were present at the meeting held Saturday in St. Mary's hall.

Jo Ann Hecht, junior leader, conducted induction of new members, and Leader Mary Ann Rinke introduced the newly elected officers, who were installed in a candlelighting ceremony.

President Barbara Nieman called the business meeting to order. Premium checks from the Home and Agriculture department of Illinois were given to each of the girls successfully completing last year's project.

It was decided that meetings would be held on Tuesdays after school is out, and that the girls would have a bake sale May 8 in Dunham's hardware to build up a fund for the float they are planning to enter into the Mokena Homecoming parade in August.

Mrs. Eleanor Johnson, Will county assistant home adviser, discussed 4H activities scheduled for the summer.

New members inducted at the meeting are Sheila Bennett, Lorrain Marshall, Judy Marek, Marilyn Sorenson, Kay Swinford, Darlene Warning, Geraldine and Rosemarie Munch and Mary and Barbara Murdock. They were joined in the pledge by Lenora Bormet, LaVonne Erdman, Jo Ann Hecht, Harriet Hoogstra, Paula Mueller, Barbara Nieman, Marcia Riha, Kay and Gladys and Carolyn Rinke, Warning, Barbara Dougherty,

Legion to Sponsor
Film in German
And English

"Flight to Frankfurt," motion picture in German and English, will be sponsored by the Frankfort Legion at 8 p. m. May 1 and 2 in the gymnasium of the Frankfort school.

It is an imaginary flight to Frankfurt, Germany, and a visit to the Golden Ochse (Golden Ox), a German beer garden. Miss Ilse Hohn of Frankfort on Main, will be cast as the hostess of the Golden Ox. Dialogue will be in German and English with German songs and dances.

The second half of the evening will be the fourth annual Frankfort minstrel.

INJURES HAND

George Ellis, Mokena, suffered torn ligaments in his right hand Tuesday, when it became entangled in a machine gear at the Mokena Wallpaper mill.

He was taken to Silver Cross hospital from Dr. E. McMahon's office, and a number of stitches had to be taken. There were no bones broken, and he is doing well as can be expected.

ASK RULING ON APPROVING NEW SUBDIVISIONS

(CNS) Future residents of Cook county subdivisions will be guaranteed adequate water supply and sanitary facility possibilities if the board of county commissioners passes a proposed amendment to the ordinance regarding maps and plats of subdivisions.

It is being proposed by the zoning committee headed by Commissioner John J. Duffy, and would require submitting a percolation test and water survey on the soil in the proposed subdivision along with the usual plat passed by the map department and the board.
 The test and survey would be made by a registered engineer and would include a description of the topography of the land, a plat showing test holes, including size, depth, and reason for choosing the sites of the holes, procedure used in wetting the holes, type and thickness of soil formations, depth to limestone formation (to be obtained from the Department of Public Health or from the State Geological survey), and the depth to the ground water table.

Other data of the tests would be record of rainfall during the 30 day period prior to the date of the tests, weather on the day of the tests, total time for all the water to seep away from the holes, average rate of seepage (9 minutes per inch), minimum permissible trench areas per residence, and special requirements as to layout of seepage systems.

An important bit of information included would be data on the proposed source of water supply (private or public).

The Chicago Motor Club urges stepped up programs of pedestrian education as an answer to the ever growing pedestrian accident rate. The Motor Club urges motorists to keep this statistic in mind while driving and to watch out for those pedestrians who do not watch out for themselves.

Salvation Army
 Easter Sunday will be observed by The Salvation Army with sunrise services, fellowship breakfast, pageants, cantatas, Sunday school plays, guest speakers and special musical programs.
 A traditional part of the services will be the enrollment of new members as soldiers in The Salvation Army.
 Against the background of thousands of Easter lilies, four corps will hold a combined sunrise service at the Garfield Park conservatory at 7 a. m. Conducted by Brigadier Charles Overstake, Metropolitan Divisional commander, the service is open to the public.
 Men from Skid Row will have a special Easter service conducted for them by Mrs. Senior Captain Thomas Crocker at 7 p. m. at Harbor Light center. Following the service, members of the Converts' club will serve approximately 300 men from West Madison st. an Easter breakfast of scrambled eggs, ham, toast and coffee.
 Commissioner Claude E. Bates, Central Territorial commander, will speak at the 11 a. m. and 7 p. m. services at Temple corps.
 At Booth Memorial hospital, 5040 N. Pulaski rd., Lt. Colonel Eva M. Dean, Women's Social Service secretary, will be the guest speaker at the 11 a. m. service. The choir will present a sacred cantata, "Cradle to the Cross."
 Good Friday services with the theme of "Ancient Words on Passion" will be held from noon to 3 p. m. at Temple corps. Harbor Light center will also hold chapel services at noon. At 11 a. m. a Swedish service is scheduled at Edgewater corps.
 At 7:45 p. m. on Good Friday Commissioner Bates will preside at a "Service of Song" at Temple corps. Music will be furnished by the Chicago Staff band, Chicago Staff songsters and Booth Memorial Training College Cadets' chorus. Both the afternoon and evening services are open to the public.
 For Salvation Army officers and soldiers throughout the world, Holy Week means "Self-Denial Week". During these seven days each turns in the funds he has saved by abstaining from "luxury" during the Lenten season. Contributions to the "Self-Denial Fund" are used for The Salvation Army's international and missionary work.
 During Holy Week, half-hour outdoor services were conducted Monday through Thursday, April 12-15, at noon on the La-Saule st. side of the City hall.

THE EASTER EGG
 In pagan festivals welcoming Spring, long before the birth of Christ, the egg was used as a symbol of new life. Later it came to be regarded as symbolical of resurrection, holding as it does the seed of life. The coloring of the Easter egg derives from both the Aurora Borealis and the dawning of the sun.

Test Tube Research Pays Off For Hogs

Dr. W. A. Malmquist, above, examines the first hog cholera vaccine to be modified and grown exclusively in test tubes. This exclusive new vaccine, called Viracine, will be available for extensive use by veterinarians this year.

Reported results after administration of Viracine to more than a million pigs indicate that this new vaccine has helped make a big step towards the control of costly losses caused yearly by hog cholera. It builds high immunity to hog cholera but will not cause the disease. Viracine is different because it is grown only in glass test tubes on laboratory media. Pigs and rabbits play no part in its production. Because of its unique production methods, it overcomes the obvious hazards of animal passage previously necessary for the manufacture of virus vaccines.

The method of production, known as the tissue culture method, was developed by Dr. W. H. Boynton, an eminent University of California veterinary scientist, in cooperation with Cutter Laboratories of Berkeley, Calif. The use of this tissue culture method marks a great advance in the production of virus vaccine.

Keep dandelions, plantain, buckhorn and other unsightly weeds out of your lawn by cutting them before they can go to seed. The new Moto-Mower "Weed-Topper" Special has a sliding blade cutter attachment, which "pre-mows" your lawn ahead of the reel blades, to leave your lawn carpet-smooth, with no weeds to be trimmed by hand. Only Moto-Mower has it!

**TAX
FACTS**

By George F. Mahin, Executive Secretary
Taxpayers' Federation of Illinois

Babies don't vote. Grownups are too stupid to realize what is being done to the babies.

This cynical attitude seems the only explanation for the formula that is being developed by Congress. Cut taxes to make the grownups happy. Don't offend the farm vote, the labor vote, the veteran vote, or any other special interest vote, by cutting spending that affects them. Borrow money to make up the deficit caused by the tax reduction. Increase the debt. Let today's babies and tomorrow's babies worry about paying for the debt.

"Blessings on thee, little man, Barefoot boy with cheek of tan, Trudging down a dusty lane With no thought of future pain; You're our one and only bet To absorb the national debt; Little man, with cares so few, We've a lot of faith in you; Have your fun now while you can, You may be a barefoot man!"

Wheat Acreage Inspections

All farmers who are produc-
ing wheat on farms for which
wheat allotments were not es-
tablished should make certain
that their acreages have been in-
spected by an ASC reporter.
Adam F. Heisner, chairman of
the local Agricultural Stabiliza-
tion and Conservation commit-
tee, emphasized this need in a
statement issued today.

"Under the wheat marketing
quota program," he said, "farm-
ers desiring to sell wheat must
have a marketing quota card.
In order to issue these cards an
official check of performance
must be made of the wheat ac-
reage. We have tried to inspect
all wheat farms in the county,
but some few cases may have
been overlooked."

If there are any such cases,
farmers may still obtain an in-
spection by reporting such fact
to our office at 157 North Ol-
tawa street, Joliet, Ill. Arrange-
ments will then be made to
have a reporter check the ac-
reage. This information will not
only provide the basis for mak-
ing determinations relative to
marketing cards, but will also
provide the basis for advising
farmers of their option of utiliz-
ing excess acres for green manure,
pasture, hay or silage.

Traffic Safety Talk

Practically all of us look for-
ward to the weekend as a time
for rest and pleasure. We can
catch up on our golf game, work
around the house and have some
fun with the children. It's the
time for going to church, watch-
ing television, listening to the
ball game or visiting or being
visited by friends.

The weekends are all of those
things—except on the highways.
In 1953, 15,800 persons were kill-
ed and 800,000 were injured in
week end accidents, according to
figures compiled and recently
released by The Travelers In-
surance Companies. Forty one
per cent of the deaths and 38
per cent of the injuries were
recorded on Saturdays and Sun-
days in 1953.

Saturday continued to be the
most dangerous day of the week.
One reason is that more cars are
in use Saturday than on any
weekday. There is another dis-
tinctive feature which sets this
day apart from the others.
For too many people, Saturday
night is a time when drinking
and driving combine. No one
knows exactly how many traffic
accidents are caused by drinking
drivers but everyone knows it
is a major problem. Everyone
needs to know that even one
drink before driving is too many.

Week ends indeed are a time
of rest. For too many they are
the beginnings of permanent
rest.

March Holds Its Own As Wintery Month

(CNS) March was a colder
month than February, and the
first month since April, 1953,
which averaged a below normal
temperature, the Chicago weath-
er bureau has announced.

Such was its lion like nature
that March came close to break-
ing snowfall and precipitation
records.

Average temperature was 35
degrees, two less than normal,
and 2.6 less than the February
average. Highest for the month
was 68 on the 25th—one below
the February high. The low was
seven degrees—two below Feb-
ruary's low.

Precipitation totaled five in-
ches, 2.15 more than normal,
the most for March since 5.23
inches in 1929, and the third
greatest for any March of record.

The March 2 snowfall of 11.8
inches was the most in 24 hours
since 14.9 inches fell Jan. 20
1939. And the month's second
heaviest fall of 7.7 inches March
29 has been exceeded only twice
so late in the season. The heav-
iest rain officially was 2.30 in-
ches on March 24, but greater
amounts fell in some sections
flooding basements and under
passes.

Sunshine was exactly normal
at 53 per cent of possible. The
forecasters say April should nor-
mally average 48.1 degrees, ris-
ing from 43 to 54 during the
month. And a final note: The
season's snowfall of 43 inches
compares to a 70 year average of
33.8.

BABSON SAYS—

I urge readers not to take too
seriously the Federal Unemploy-
ment figures which are released
the second week of each month.
Until they are issued on a per-
capita basis and properly adjust-
ed, I believe them to be unreli-
able and misleading.

There are 63,000,000 employ-
ees (other than farmers) in the
United States. Of these, only
very few employees are inter-
viewed. There are over 45,000,
000 families in the United States.
Of these, only 25,000 families
are interviewed. Thus, it will
be seen that to give out a figure of
"3,385,000" is really ludicrous.
It surely would be more logical
to say about "3,400,000", and
call it a "rough estimate."

The figures never show the
real situation. When families are
interviewed they report not

only those who have been laid
off, but many who are ill, or
working at home, or perhaps too
lazy to work. Recently, to help
the Republicans get the farm
vote, the coverage has been in-
creased from 123 counties to
450 counties. This greatly in-
creases the percentage of farm
families included in the count.
I forecast such figures will be
found very unreliable as regards
the status of those helpers who
live on the farm, whether or
not a salary is being paid them.

When I was Director of In-
formation and Education of the
Labor Administration, I tried to
overcome the political slant. For
instance, during the Truman ad-
ministration, the Republican fam-
ilies were constantly expect-
ing a business collapse. Hence,
they gave the interviewer a pes-
simistic report pretending busi-
ness was bad; while Democratic
homes gave good reports. Now
the conditions are opposite. The
Democratic homes are talking
glief.

Another feature to be consid-
ered is that some states have a

greater percentage of itinerant
workers. Under present laws in
many states, if persons on the la-
bor force are employed for one
or two quarters within a certain
twelve month period, then the
person is entitled to unemploy-
ment insurance of from \$20 to
\$30 per week, even though the
person is not a resident of the
state and perhaps has even left
the state altogether. Your state's
reported unemployment should
really be adjusted in accordance
with this unreasonable and non-
conforming legislation. Any re-
ader can get a free copy of what
each of the 48 states is rolling up
for Federal Unemployment Ben-
efits by writing to the Bureau of
Employment Security, Division
of Reports, Department of Labor,
Washington, D. C. Before leav-
ing your present state to seek a
job somewhere else, you should
carefully read this Report by
states.

The reported unemployment
of the entire United States on
February 13, 1954, was 3,385,000
by the Standard Method, 3,671,
000 by the new CIO method.

These both are based on a total
population of about 161,350,000,
but this population is increasing
about 250,000 a month. This
means that the unemployed, fig-
ured on a labor force of 63,000,
000, is, on a per capita basis,
only two per cent of the entire
population. This compares with
about ten percent unemployed
in 1932. I severely criticize any
of the Labor Department or
Commerce Department (who are
the remains of a Democratic
Bureaucracy) for refusing to use
the per capita figures. They are
not only ignoring the growth of
the country, but may also be
changing the method of compil-
ing the figures, to please the
CIO crowd. This is like changing
the rules of a game in the mid-
st of a game. Furthermore, the in-
crease reported under these new
rules is largely based on the re-
ported "unemployed" on a few
farms, which is a very debatable
figure.

Regarding your own state:
Neither of the above figures for
present total United States un-

employment (the standard fig-
ure of 3,385,000, nor the CIO
figure of 3,671,000) can be brok-
en down by states. Both are too
much of a guess. Moreover, of
the present United States popu-
lation of 161,350,000 about 12%
are over 60 years of age and
5% are over 70 years of age.
These figures differ greatly with
current states. For this distri-
bution of the age group, the La-
bor Department makes no adjust-
ment. It thus will be seen that
the whole business is guess!

work and should be corrected
or suppressed. However, an un-
employment of only 2% is noth-
ing to worry about. Such a small
percentage should give confi-
dence and optimism for the 1954
Outlook.

If you will think about what
you ought to do for other peo-
ple, your character will take
care of itself. —Woodrow Wilson

"Where Insurance Is A Business Not A Sideline"

**Top Dressing Wheat Pays in
Higher Yields, Lower Costs**

Bumper wheat yields mean lower production costs, higher profits.

TOP dressing your wheat crop with a complete fertilizer this spring can be a profitable investment.

That's particularly true if there is any question about the crop's need for phosphate and potash, says the Middle West Soil Improvement Committee.

"It's better to be safe than sorry," says the committee, "in the matter of supplying nutrients for the crop."

Soils specialists report that on many wheat fields it is profitable to use from 200 to 300 pounds of a complete fertilizer such as 10-10-10 as a spring top dressing.

If the soil is high in phosphate

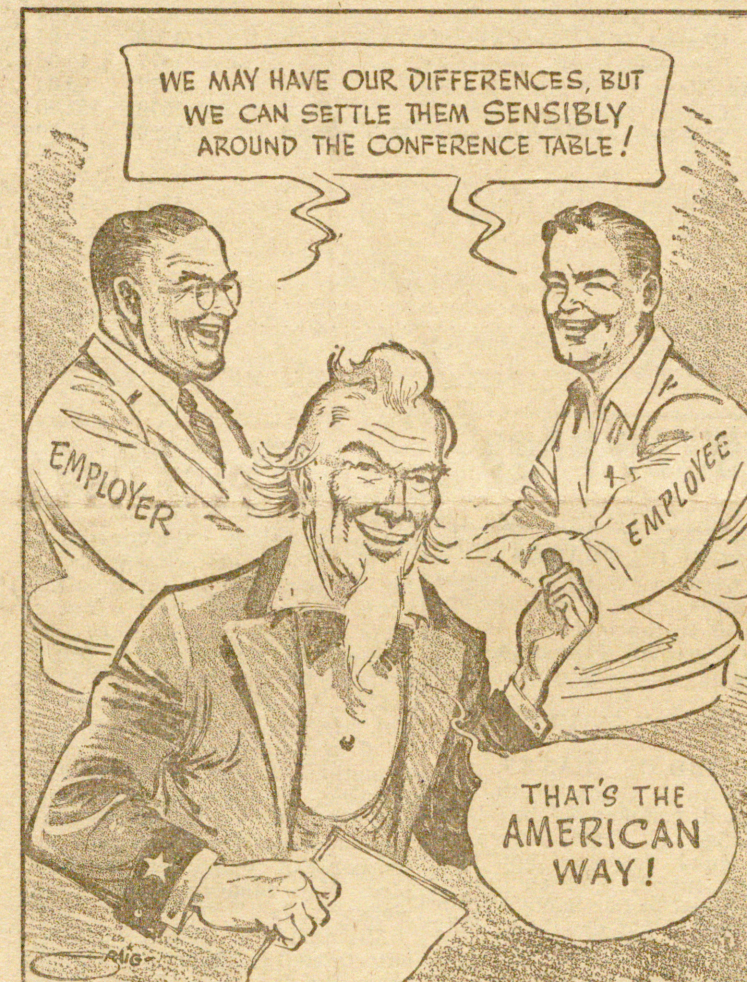

and potash, then it will pay to consider top dressing with a nitrogen fertilizer, according to the committee. In general, the equivalent of 100-200 pounds of ammonium nitrate will help increase yields.

"Boosting wheat production by 10 bushels per acre," says the committee, "can increase a farmer's profit by as much as \$20 per acre."

"As yields go up, production costs per bushel go down. Thus there is more 'take-home' income for the farmer, even though prices are declining."

The best time to top dress is early spring, just before the wheat begins to grow, according to soils specialists.

**THE TRUTH ABOUT EPILEPSY**
by Science Features

Perhaps more than any other disease today, epilepsy is misunderstood by the general public. Epileptics are sometimes discriminated against by laws forbidding their marriage or attending public schools, but more often by public opinion, which denies them jobs and a normal place in the community.

Yet scientists know that this disease is never dangerous to anyone but the sufferer, even when it ends in a violent seizure. It is not contagious, and is no more hereditary than diabetes. With the aid of drugs it can be successfully treated in a large number of cases.

Epilepsy apparently occurs as a result of some damage to the lower brain, which may be brought on by infections or injuries to the unborn child, or as the result of an accident or war wound. At the present time, about 75 per cent of all cases can be attributed to a definite physical cause.

The big news about epilepsy today is that with modern drugs doctors can to some degree control the seizures in 80 per cent of all cases. Of these, 50 per cent can be completely controlled. In certain types of epilepsy surgery has been helpful.

Synthetic detergents are important to industry as well as the home. They are used by textile and steel manufacturing industries, in electroplating, metal working, paper and leather processing. The most important detergents, volume wise, are derived from petroleum.

Each year collisions between bicycles and motor vehicles causes approximately 600 deaths and 42,000 injuries. Over two-thirds of the deaths and injuries are among children 12 to 14 years of age. Solo for Safety's sake and ride one on a bike, urges the Chicago Motor Club in its monthly poster for April. Instruction sheets highlighting the danger of multiple riders on bicycles are adapted for different age levels and sent to 44,000 elementary school classrooms throughout the Illinois and Indiana territory of the Club.

According to Brigadier General David M. Shoup, who won the Medal of Honor on Tarawa a portion of the price of every book sold will be earmarked specifically for that purpose. Additional direct contributions to the fund will be accepted and placed one hundred percent to the credit of the fund. Plans for management of the fund already are being worked out.

**So this is
HOUSEKEEPING**
BY SHIRLEY STUART

This do-it-yourself bug finally bit me. Or rather, I should say, it bit us. If anyone had told me a month ago that Jeff, my husband, and I would undertake to build a room for Betty in the attic space I would have called them crazy.

I got the idea when I was shopping with Jeff. He wanted to cover the garage with something called siding. While he was looking over his garage material I wandered through the building supply store and became intrigued with some interior finishes called Celotex tile board and finish plank. The designs and colors fascinated me.

When Jeff had bought his siding the dealer came over and began to explain what these finishes were. Said they come in different widths and lengths all ready to put up. Said almost anybody could have new walls and ceilings with little effort and with small expense. I said, "I couldn't," Jeff said, "Why not?" I said, "Because I don't know how. And besides, where would I use it?" The dealer said, "Maybe your husband will help. It doesn't take an expert carpenter." Jeff said, "We could make a nice room for Betty."

Now that the job is done I think I could almost have done it myself. Betty is deliciously happy with her own new room. The materials that made the job so easy cost less than her bicycle. Jeff and I are pretty proud of our ability as interior decorators!

which the famed correspondent sums up his reaction from the perspective of today.

Another feature will be the thoughts "after 10 years" of Fleet Admiral Chester W. Nim-

itz, Lieutenant General Julian C. Smith, Major General Merritt A. Edson, General Snoup, Colonel Henry P. Crowe and a score of others who played a vital role in that historic battle.

MORE Farmers Have Planted

DEKALB

than ANY OTHER Seed Corn

This year—because of acreage restrictions—RESULTS will count MOST. Every acre MUST produce MORE. The BEST GUIDE in choosing your seed, is to plant the Corn that is PERFORMANCE PROVED.

Last year, in DeKalb's Selected 5-Acre Corn Growing Contest, 5038 farmers averaged 101.16 bushels of DEKALB per acre. In 15 years of the Contest, 52,306 farmers have averaged 99.04 bushels per acre. These yields were made right on the farmers' own land—under many different soils and weather. They offer conclusive evidence of DEKALB's yielding ability—its outstanding adaptability—its year in and year out Dependability.

This Spring—every Spring—make sure of the seed you plant. Plant DEKALB.

"What is more fun than an Easter Egg Tree at Eastertime?" asks 5-year-old Janice Curtis of New York. This tree is gaily decorated with Easter Eggs dyed in bright colors and fastened with adhesive tape. Almost anyone can make such a tree from a small bare limb or shrub and decorate it for Easter fun, says the Poultry and Egg National Board, which adds that you can eat the decorations on an Easter Egg Tree.

Lay Plans for Girl Scout Leader Day Camp Training

Training of a staff of more than 200 volunteer adults, beginning April 7, will provide leadership for the 1954 Girl Scout day camp program. Plans have been made to enable every registered Brownie and Intermediate Girl scout of South Cook county to enjoy all the advantages of camping this summer, according to Mrs. Edward Spooner, day camp chairman.

Leadership for the 1000 girls expected to participate in the day camp program will be provided by the neighborhoods of each community. No previous skills or training is required as all prospective leaders will receive adequate training and any one interested in becoming a staff member may secure additional information by contacting Mrs. Spooner at Homewood 117R.

An orientation course for beginners will be held May 13 and May 19 at Camp Thorn Creek and at another location to be announced. The session, from 10 a. m. to 3 p. m. will have a day camp directors for instructors.

On May 25, staff members for Schubert Woods and Jurgenson's woods will be instructed at Camp Thorn Creek. The Maple Lake East staff will meet in the First Congregational church, at Oak Lawn. The Tinley Creek woods staff will meet at a place to be announced.

An on the site training course will be held June 2 at the points where each staff will operate and a complete day of the day camp program will be conducted.

A Forest Preserve training course will also be held for troop committee members and leaders as a supplement to the day camp training program and will be conducted by a Senior naturalist on April 29, May 4, 6, and 10. Those interested are requested to sign up immediately.

Ask Increase in School Tax Rate To \$1.25 per 100

Forty five elementary school districts of the 132 in Cook county now are levying an educational rate of one dollar or more per hundred dollars assessed valuation for education, according to Superintendent of schools Noble J. Puffer, of Cook County.

The limit of \$1.12½ per hundred is being levied in 27 of those districts, an increase of nine over the previous school year. This indicates the severity of the problem faced by boards of education who must maintain public schools in rapidly growing suburban communities, said Puffer.

Of 45 who levied rate of one dollar or more for 1953-54, only 30 levied this rate in 1952-53.

With increased enrollments in the fall, Mr. Puffer said, "it is evident that boards exercising the greatest economy will still not have sufficient funds available. In some of these districts enrollments per teacher will rise from 40 pupils to at least 45 or 50. The result will be that less attention can be given to individual problems and individual pupil needs with consequent reduction in the quality of the educational program."

Two possible solutions suggested is to ask the legislature to increase the educational tax rate from \$1.12½ per hundred to \$1.25, and to request it to increase the state occupational sales tax by one cent to provide additional funds for equalization of educational opportunities in our schools.

The state guarantees a foundation program of \$173 per pupil. "This, however, is not realistic for Cook county," added Mr. Puffer. "A recent study shows that for the school year 1953-54, average per capita cost of educating an elementary child is well over \$250 in Cook county."

In the annual statistical report of the superintendent of public instruction for the year ending June 30, 1952, the average per capita cost of educating an elementary pupil in the entire state is \$197.81. The foundation program of the State falls short nearly \$25 per pupil of the average cost of educating an elementary child.

Superintendent Puffer further commented, "real estate is bearing an extremely heavy load to day in supporting not only education, but local and county governments. It is high time that the State of Illinois realizes that its most priceless possession is its children. Money spent on a good educational program for these young people is an investment in future good citizens."

Joliet Shrine Club Offers 6th Show

Top musical, comedy and variety acts will be presented on the stage of the Joliet Township High school auditorium Friday, April 23, at 8 p. m. when the Joliet Shrine club offers its sixth annual musicale and variety show.

Carl J. Erickson, general chairman of the 1954 production, announced that the master of ceremonies will be Johnny Jones, Chicago. The show will consist of acts which have obtained top billing on stage, TV, and leading night spots throughout the country.

Some of the headliners will be Dick Drake, the dead-pan diplomat, who recently appeared on Ed Sullivan's Toast of the Town, Tommy Carlton, who plays the son of Tarzan in the movies, Tanya and Biagi, the internationally renowned dancing team, Pat McCaffrie, the versatile comic, The Bonallis, a family of four entertainers, Verdi, the famous concert cellist, Romano, the well-known ballroom dancer, and including Joliet's own Stout Hearted Men and Terry Robinson. This

years show promises to be the most outstanding yet, said Erickson.

Tickets may be obtained from any Shrine club member or at Marsh's Show store, First National Bank of Joliet, Dinets, The Eagle or at the Masonic temple. Doors will be opened at 7 p. m. on the evening of the performance.

National Tea Sales Up in March

Consolidated sales of National Tea Co. for the four weeks ending March 27, amounted to \$37,555,698 as compared with \$34,001,697 for the four weeks ending March 28, 1953, an increase of 10.45 per cent.

Sales for the year to date amounted to \$114,848,528 as compared with \$105,530,563 for the corresponding period in 1953, an increase of 8.83 per cent.

The number of stores in operation decreased from 736 at March 28, 1953 to 721 at March 27, 1954.

ZONING BOARD APPOINTEE

President William N. Erickson today announced the appointment of Richard L. Weldon as a Member of the Zoning Board of Appeals of the County of Cook

for the unexpired term of Mr. Edwin C. O'Toole, who resigned.

The new member of the Zoning Board of Appeals is 35 years of age and resides with his wife and five children, all daughters, at 1434 N. Menard ave. He is now a Business Representative of the Chicago Journeymen Plumbers Union and has had diversified business experience in private industry and in public service—after completing his five years' apprenticeship in the plumbing trade he served as a foreman for Adams Engineering Inc., and was also a plumbing inspector for the City of Chicago and also took an engineering course at the University of Illinois. He is conversant with construction and is interested in development projects. Mr. Weldon enlisted in the U. S. Air Corps as a private and was discharged as a first lieutenant. He received the Distinguished Flying Cross, the Air Medal five times and three Presidential Citations while flying 50 combat missions over Europe.

The position on the Cook County Zoning Board of Appeals is non-compensatory.

CHICAGO'S OWN Dorsey Connors has joined the team of experts on NBC's TV magazine for women, Home, as midwest editor. The glamorous Dorsey appears regularly to report newsworthy events from the Chicago area. The New York line-up of Home feature editors includes Arlene Francis, editor-in-chief; Eve Hunter, fashion and beauty; Poppy Cannon, food; Dr. Rose Franzblau, family affairs and child care; Will Peigelbeck, gardening; Elinor Ames, etiquette, and Estelle Parsons, special projects editor.

WHEN NORMAN ROSS, JR., describes traveling around the world on WMAQ's Saturday Travel Hour, he knows whereof he speaks. The son of the late and well-loved Norman Ross has twice circled the globe and conducted European tours several years for the Olson Travel Organization, sponsor of his program.

He was conducting a tour in June 1953, when his father died suddenly. At the sponsor's request he was chosen as a replacement. Norm's hobbies are collecting records and college degrees. He did undergraduate work at Stanford, graduate work at England's Oxford, and is now enrolled at the University of Chicago working on a Ph.D. His forte is languages—Russian, French and Chinese. Norm's radio background includes broadcasting for the Army in the CBI theater and announcing and acting on several Chicago stations. Norm was born in Miami, Fla., and reared in Evanston, Ill.

He celebrates his birthday on January 30, which is under Aquarius—the travel sign!

3-D PLUS TV is awaiting Chicago area viewers on Channel 5 Sunday, March 7. On that date talented young pianist Natalie Hinderas and the NBC-Chicago Orchestra, conducted by Joseph Gallicchio, will present a special simulcast version of New Dimensions (9:30 p. m. CT), on WNBQ, WMAQ and WMAQ-FM. The program is a world premiere of stereophonic sound techniques coupled with a regular telecast. Although reception on either radio or TV alone, will be satisfactory, full appreciation of the exciting new technique will require both a TV receiver and an AM radio. Home viewers are to place their AM radios about 10 feet to the left of their TV sets to recreate the 3-D sound exactly as broadcast, while watching the concert on TV.

NO ESCAPE from acting chores for Mission-Secret star Charles Flynn. Recently, to relax from radio's rigors, he took his wife to a Sunday concert at Orchestra Hall. The second selection played was Bartok's "Concerto for Orchestra," and smack in the first measure was the theme music from Mission-Secret!

IN MEMORIAM

SPIECKER, Pfc. Frank. —In loving memory of our son and brother who died in action, April 17, 1944.

The rolling stream of life rolls on,
But still the vacant chair,
Recalls the love, the voice
the smile,
Of one who once sat there.
Mon, Dad, Brother and Sisters

Rural school elections were held in the schools Saturday. Elected as a new director at the Marley school was William Loucks. Joe Liberty was re-elected clerk at the Maple Street school. Gus Termunde was re-elected at the Hadley school.

Mrs. Glenn Smith opened her home to the Marley Woman's club Thursday afternoon for their regular monthly meeting. Mrs. Charles Elliott was the assisting hostess. The president, Mrs. Charles Ingram presided. The legislative report was given by Mrs. John Riley. The program was presented by Mrs. Don Reid and Mrs. Victor Zaloudek. Mrs. Reid presented articles on Zion National park and on the new polio serum. Mrs. Loren Sass gave a reading on the Museum of Science and Industry in Chicago. The members participated in a quiz and prizes were given to the winners Mrs. Elliott and Mrs. Smith. Mrs. Fred Sievert of Caasopolis Mich., was a guest.

The Mothers club of the Hadley school will meet in the school Wednesday night April 21. Mrs. Harold Henke of Lockport will be the speaker. The parcel post sale will be held under the supervision of Mrs. Victor Zaloudek.

TRAFFIC SAFETY

Will you help save 38,500 lives in 1954 and help stop needless injury to 2,140,000 persons?

If the above strikes you as an unusual challenge you need to read a booklet we just received from The Travelers Insurance Companies. Entitled, "The Passing Scene," it is their annual publication of traffic accident

data in which statisticians have analyzed the traffic safety picture in 1953.

You would learn that 38,500 people were killed and 2,140,000 were injured by motor vehicle accidents last year. Leafing thru

the booklet you would find out why 1953 made tragic history as the most disastrous year for traffic history as the most disastrous year for traffic accidents ever experienced.

ALPINE

Mrs. E. Mrosek
Orland 41-J-1

At the election held in Maue school Saturday evening, Harwood Stellwagen, endorsed by Owen Maue, was elected to the school board. Mr. Stellwagen resides on 108th avenue, near the school. His occupation is farming. He is married, the father of five children and is active in church work. He is the third generation of Stellwagens to serve on the Maue school board. His grandfather, John, now deceased, and his father, Ralph, now living in Mokena, both served on the board in the past.

Aaron Simrell, retiring member of the school board, could not consider running for reelection for business reasons, but nominated Henry Felsch instead. He resides on 104 avenue, is married and has two sons. He is employed as a process engineer for the Yale and Towne Manufacturing company in Chicago, and operates 10 acres in Alpine. He served on the citizen's committee that planned the addition to the school, and is responsible for the district going on record as being in favor of consolidation with Orland Palos instead of with Will county.

John Janulis and Tommy Cripps were contestants in the spelling contest at the Orland school, Friday afternoon. Tommy tied for fourth place and second alternate. He will enter into further competition.

Members of the Maue PTA board surprised Mrs. Chester Williams with a birthday party in her home Thursday evening. Mrs. Owen Maue baked the birthday cake. Mrs. Williams received many nice gifts. Board members enjoyed making carnations.

Mr. and Mrs. Roy Walker visited their parents, Mr. and Mrs. Arthur Walker in Chicago, Sunday.

Mr. and Mrs. Garret Cummins paid their daughter and family, Rev. and Mrs. Ray Hamer of Blandinsville a surprise visit, on Mrs. Hamer's birthday, Thursday, and stayed through Friday.

Mr. and Mrs. Garret Cummins visited with her father, Frank Searley, and her sister and husband, Mr. and Mrs. Glen Watt in Yale over the week end. They also visited with his brother-in-law, Everett Maxwell in Robinson.

Mr. and Mrs. Fred Bradley of Oak Lawn were Sunday visitors of Mr. and Mrs. Albert Reeves.

Alpine boys are starting their spring baseball workouts. They need a manager and a sponsor. Their plea is "Please, help the team get started." Anyone interested in helping should call Orland 53R2 after 3:30 p. m.

Our Living Lord

Lesson for April 18, 1951

TO SPEAK about Jesus as if he were simply a historical character is a mistake, said William Adams Brown. When other men die, their obituaries can be written. There is nothing to add to the tale of their life. Even in the case of the great and famous men about whom new books appear every so often, each biographer merely edits newly discovered material at the most. If he adds a chapter to other biographies, it is simply the record of a chapter hitherto unknown—but it adds nothing new to the facts, only to men's knowledge of the facts. With Jesus, as Dr. Brown points out, the case is altogether different. You could not write a "definitive," a lastword biography about him even today, because he still lives and is active in the world. Jesus is not someone who was; that is not the whole truth. Jesus is. The message of Easter is not only that Jesus did not die forever; it is more that he lives forever, that he lives now.

Dr. Foreman

In the Church

The Church is called in the New Testament the "body of Christ." In a very real way, that is true. One contemporary theologian has put this in a startling way. He says that Christ and the church are the complete Christ, just as a man and his body together are the complete man. This may be putting it too strongly. But no thoughtful Christian will deny that without the church, without some church, Christ would be bodiless in this earth. Without the church he would be a "houseless wraith of deity," but with the church he has eyes, ears, hands and feet. This is not to say that any church is perfect; in the best of churches Christ walks lame and speaks in a murmur often hard to understand. Just as any musician would be hampered by a broken arm, so Christ is hampered by broken and self-seeking churches. Yet taking it all in all, Christ does live and speak and work through his church today. He is there in the sacraments, there in the message of truth and grace, there in the life and service of every church that ministers to men in his name.

In Men and Women

But the church does not exist apart from the men and women who are its members. (We mean real members, not just people whose names appear on the membership lists.) Christ lives again in every individual who loves him, is devoted to him and (to use St. Paul's memorable words) is "growing up in all things into Him." When St. Paul said, "I live, yet not I, but Christ liveth in me," he was saying only what countless Christians have said because they had discovered it was true. Christians less famous than Paul have known him in their lives. A man who had had a great deal of trouble with a certain temptation was asked one day by his pastor how he was getting along. "You know," the man replied, "I used to have a lot of bother from the devil and I didn't always get the best of him. But now when Satan rings, I just say, 'Lord Jesus, won't you answer the door?'"

At the Right Hand of God

The Apostles' Creed, which Christians in all lands know by heart, declares that Christ "sitteth at the right hand of God." By this the church has never meant that Jesus is spending eternity sitting down on a throne somewhere. What we mean is that Christ is not only alive on this small planet but that he lives and works with God. Just as in ancient times when a king held royal court, the seat on his right was reserved for his most trusted and most active personal representative, so Christ lives on in the presence of Eternal Power today, in ways that the heavenly glory hides from our sight. We dare not guess at all what he plans and does; but the Church is certain of one thing: he is praying for his people. "He ever liveth to make intercession for us." If it is a comfort to know of the prayers of any friend, how much more to know that the living Lord is praying for us! So on Easter Sunday the church sings—now can she help it? The flowers and the music are not to keep alive the memory of one who once upon a time rose again, but are in honor of one who lives now, in and above the church and the world.

Mr. and Mrs. Steve Putz are happy over the arrival of two new great grandchildren. Mr. and Mrs. William Jungles of 159th street have a baby girl, Janet Marie, born April 7, and Pvt. Ralph Jungles and his wife a boy born last week. Ralph is in the Army at Ft. Bliss, Texas. Grandma Putz says she is a proud and happy woman.

Mrs. Edward Golden is another happy grandmother. Her son Pvt. Eugene Golden and his wife Elinor have a son, Eugene Jr., born April 6 in the Army hospital, San Francisco. The baby's father is in the hospital after undergoing brain surgery. According to the last report his condition remains about the same, and it is hoped that the new baby will help him make a speedy recovery.

Those who attended the PTA meeting Wednesday in Orland Park are Mrs. Frank Greenhoe, Mrs. Thomas Thurbie, Mrs. Jere Vanek, and Mrs. Charles Stewart. Rev. Paul T. Saunders gave an interesting talk on "The History of the American Family."

Mrs. Steve Putz, 159th and 114th streets report that more than 40 pigeons were stolen from their place Wednesday night. Some of them were pets and meant a lot to the family. They are asking that the person who took them please let them loose and they will go back home.

Tinley School News

The pupils of Mrs. Phillips' room have just completed a unit on the study of birds.

Via geography books and other sources, pupils learn about other countries, the people, and their ways. Mrs. Schellhase's fourth grade class is currently traveling in Norway and China. They have sent postcards (hand drawn) as a pictorial history of their travels in these countries and interesting letters have been received by their friends here.

Grade five has been studying about our Latin American neighbors. Several pupils in Miss Rodgers' room have drawn a large mural portraying a Mexican tribal dance. Phyllis Nieland has made an interesting pioneer scene which is on display in this room.

One sixth grade language class is making model ships after reading the story, "The Clipper Ship."

The newest addition to the animal corner in the science department is—guess what?—a baby alligator! It has come from Florida to make its home (for

the time being, at least) in Room 201.

All of the art classes this week are working on the construction of one of the newest forms of modern art—the mobile.

Elementary geometry as it is applied to practical living is the unit of work in seventh and eighth grade arithmetic classes at present. Pupils are learning to construct and recognize geometric figures and forms such as the square, rectangle, triangle, parallelogram, trapezoid and circle. Through varied experiences pupils learn "why" the principles and rules of finding perimeter, circumference and area of these plane figures are true.

Girl Scouts Make Kits for Korea

Twenty four kits for children in Korea have been completed by the Girl Scouts of troop 335, Tinley Park. Each was filled with a towel, wash cloth, bar of soap, spool of thread, pack of needles, pocket comb, hair ribbon, two yards of elastic, safety pins, tooth brush and toothpaste.

In making the kits, most of the scouts had their first lesson in operating a sewing machine. Each decorated the kit she made with an original design, using textile painting with the use of stencils.

The scouts recently visited the Mushroom plant and were most interested in the various steps of the growing and canning of mushrooms. At the end of the tour, each girl was given a can of steak sauce. On the homeward hike, leaders Mrs. Heidberg and Mrs. Marjorie Hendrick engaged the scouts in an unexpected test of first aid emergencies, for the scouts are completing work on their first aid badge.
